The CELEBRATION OF LIFE is a wonderful way to celebrate a birthday by honoring a child's life and accomplishments. If possible, please send in one birth photo, one at 1 year old, one at 2 years old, etc. and write a short life story to be brought in to school for their celebration (the photos will be returned).

The following is a sample life story. *We ask that you let your child participate in selecting pictures and writing his or her life story for this celebration.*

THE STORY OF \_\_\_\_\_ (Child's Name)

\_\_\_\_\_ was born on \_\_\_\_\_ (month, day, year), in \_\_\_\_\_ (city, state, country, continent) on the planet earth. He/she had to be held and taken care of all the time, couldn't talk to or tell mom or dad what was needed, had to wear diapers, drank lots of milk and slept most of the time.

By \_\_\_\_\_ months he/she could \_\_\_\_\_ (sit, up by his/herself, crawl, etc.).

When \_\_\_\_\_ was 1 year old he/she \_\_\_\_\_ (learned to walk, etc.). He/she loved to \_\_\_\_\_.

At 2 years old \_\_\_\_\_ (learned to use the potty, etc.) \_\_\_\_\_.

When \_\_\_\_\_ was 3 years old! He/she can \_\_\_\_\_ all by his/herself! His/her favorite color is \_\_\_\_\_, favorite food is \_\_\_\_\_, and favorite activity is \_\_\_\_\_ etc.

The Celebration of Life is done during the opening circle time. You are welcome to join your child's celebration by reading your child's story as they carry a globe, and walk around a sun that is placed in the middle of the circle. If you are unable to attend, a teacher will read it. In either case, thank you for your help in making your child's celebration a meaningful and memorable event.

**For the safety of all children: No balloons, no candles, no cake, no decorations, no sugar, and anything that could be potentially harmful to children.**

Thank you again!

*With gratitude,*
