

## *Welcome to the Montessori Ivy League Academy*

Dear parents,

We are very happy to have you as part of the Montessori family. This letter, and the following documents, have important information regarding our school. We are excited to work together to help our children achieve their full potential. In order to do so, **we ask you to please keep in mind our school policies, procedures, and parent responsibilities.**

**First Day of School:** Beginning a new school is very exciting but comes with anxiety and nervousness for some parents and children. We will do our best to ensure a seamless transition and to ensure that each child feels loved, respected, and safe.

### *Important Notes:*

- We request all parents to make sure our happy & healthy children walk to school from the parking lot, never carried in the arms.
- Children must be dropped off and picked up in the reception area, so they can independently be escorted to their classrooms and back, respecting our Montessori way. Parents are welcome to observe their children from the camera TV screen placed in the front lobby.
- **Jewelry (of any kind) is not allowed due to safety reasons.** Please, do not bring any kinds of toy or book to school; they may not come back home.
- Please be understanding with items that might get lost. We do our best, but since our focus is our children, things get lost. Please do not send items to school that have a special value for you.
- For the safety of our children, the staff will ONLY perform administrative duties after 9:30AM.
- Our children drop off time ends at 9:30AM in the morning.
